

## Flower Arranging Courses

**Please pass this information on to your fellow club members.**

The BC Council of Garden Clubs is sponsoring a series of flower arranging courses for hobby gardeners. You can use plant material from your garden or purchased plant material. This is a great way to brighten up your home with your own creations!

**Level 1 - Introduction to Traditional Designs** is a basic course for beginners and consists of six hands on workshops. The participants learn the basics of what types of plant material to use and how to use it, what types of containers and other equipment to use. Participants will learn how to make six Traditional Designs and will receive a certificate upon completion of the course.

**Level 2 - Introduction to Contemporary Designs.** This course also consists of six hands on workshops where participants learn how to make modern designs. They also learn the basics in Elements and Principles of flower arranging. Participants must have Level 1 - Introduction to Traditional Designs before they can take Level 2. They will receive a certificate upon completion of the course.

**Level 3 - Contemporary designs.** This course also consists of six hands on workshops for people who have taken Levels 1 and Level 2 and want to learn more modern designs. They will receive a certificate upon completion of the course.

**Level 4 - Intermediate Contemporary Designs.** This course is a more advanced course for people who have taken Levels 1, 2 and 3. It consists of six hands on workshops that cover more advanced designs and techniques. Participants will receive a certificate upon completion of the course.

To register for these courses please contact me at [1vicepresident@bcgardenclubs.com](mailto:1vicepresident@bcgardenclubs.com) or [ctataryn@telus.net](mailto:ctataryn@telus.net) or phone at 604-585-6786.

Cheers!

Cindy Tataryn
