

## **BC Council of Garden Clubs**

### **2026 Affiliation Fees and Liability Insurance Enrollment**

#### **Council Membership Fees:**

Membership is for the period January 1 to December 31.

Annual membership fee is \$40.00 and covers the period of January 1<sup>st</sup> to December 31<sup>st</sup>.

Membership must be paid to be eligible to vote on B.C. Council of Garden Club's affairs.

#### **Liability Insurance:**

Please note that coverage will be for the period from January 1<sup>st</sup> to January 1<sup>st</sup> of each year. To qualify for this liability insurance, the group must be a member of the BC Council of Garden Clubs. Insurance Protection (\$5 million liability) extends to the operation of garden clubs/allotment gardens/community gardens, the hosting of meetings, field trips, two flower shows per club per year and two plant sales per year. A Certificate of Insurance can be requested by covered members. This insurance Policy provides no coverage for any claim in any way caused by, arising out of or resulting from any virus, bacteria, disease or contagion.

#### **Coverage for allotment and/or community gardens:**

The insurer, after reviewing the coverage offered, has determined that due to the higher risk involved in allotment and community garden operations, a rate scale for these groups was appropriate. Gardens up to 15 acres are eligible for coverage of liability insurance through BC Council of Garden Clubs, however, gardens over 15 acres would require separate individual coverage. Those gardens should contact the insurer directly and provide the insurer with the additional information required for a quote. For additional information, see Contact below.
